

Tickets on Sale For Lions Club Pancake Supper

Tickets are now on sale for the annual Lions Club Pancake Supper to be held Friday, Mar. 12, in the high school cafeteria. Bob Craig, president of the organization, said this week that tickets could be purchased from any Lions Club member. Ellis West is chairman of the annual project.

Serving will start at 5:30 p.m. and continue until 8 p.m. The supper has been planned on the night of the Senior Play and everyone is being urged to attend the pancake supper and then go to the auditorium for the play.

An auction, featuring homemade cakes and pies, will be held during the supper.

The menu includes pancakes, bacon, coffee or milk, and everyone will get all they can eat for 75c for adults and 50c for children under 12.

B&PW Club To Hear Rev. Bryant Tuesday

The Business and Professional Women's Club meeting Tuesday evening will coincide with National Business Women's Week March 7-13.

The Tuesday evening dinner and program will feature Rev. Byron Bryant, pastor of the First Baptist Church, as the speaker. His subject will be "The Who, What, When, Where and Why of Public Relations."

The public relations committee in charge of the meeting includes Mrs. Ned Moore, chairman, Mmes. Ed Bailey, B. V. Newberry, Ray Sonnenburg and L. R. Fowler.

Each member is requested to bring a guest representing business clubs and organizations in the city.

Theme for the 36th observance of National Business Women's Week is "A Springtime Salute to Working Women."

The Hamlin Club, organized in 1950, has 47 active members, with approximately one-half of the membership being charter members.

Throughout the country, the spotlight is on business and professional women . . . their achievements and contributions to local, national and world events.

National Merit Scholarship Test To Be Given by High School

Students of Hamlin High School will take part in the National Testing Program here Tuesday, according to B. V. Newberry, principal. They will take the National Merit Scholarship Qualifying Test and the National Educational Development Test.

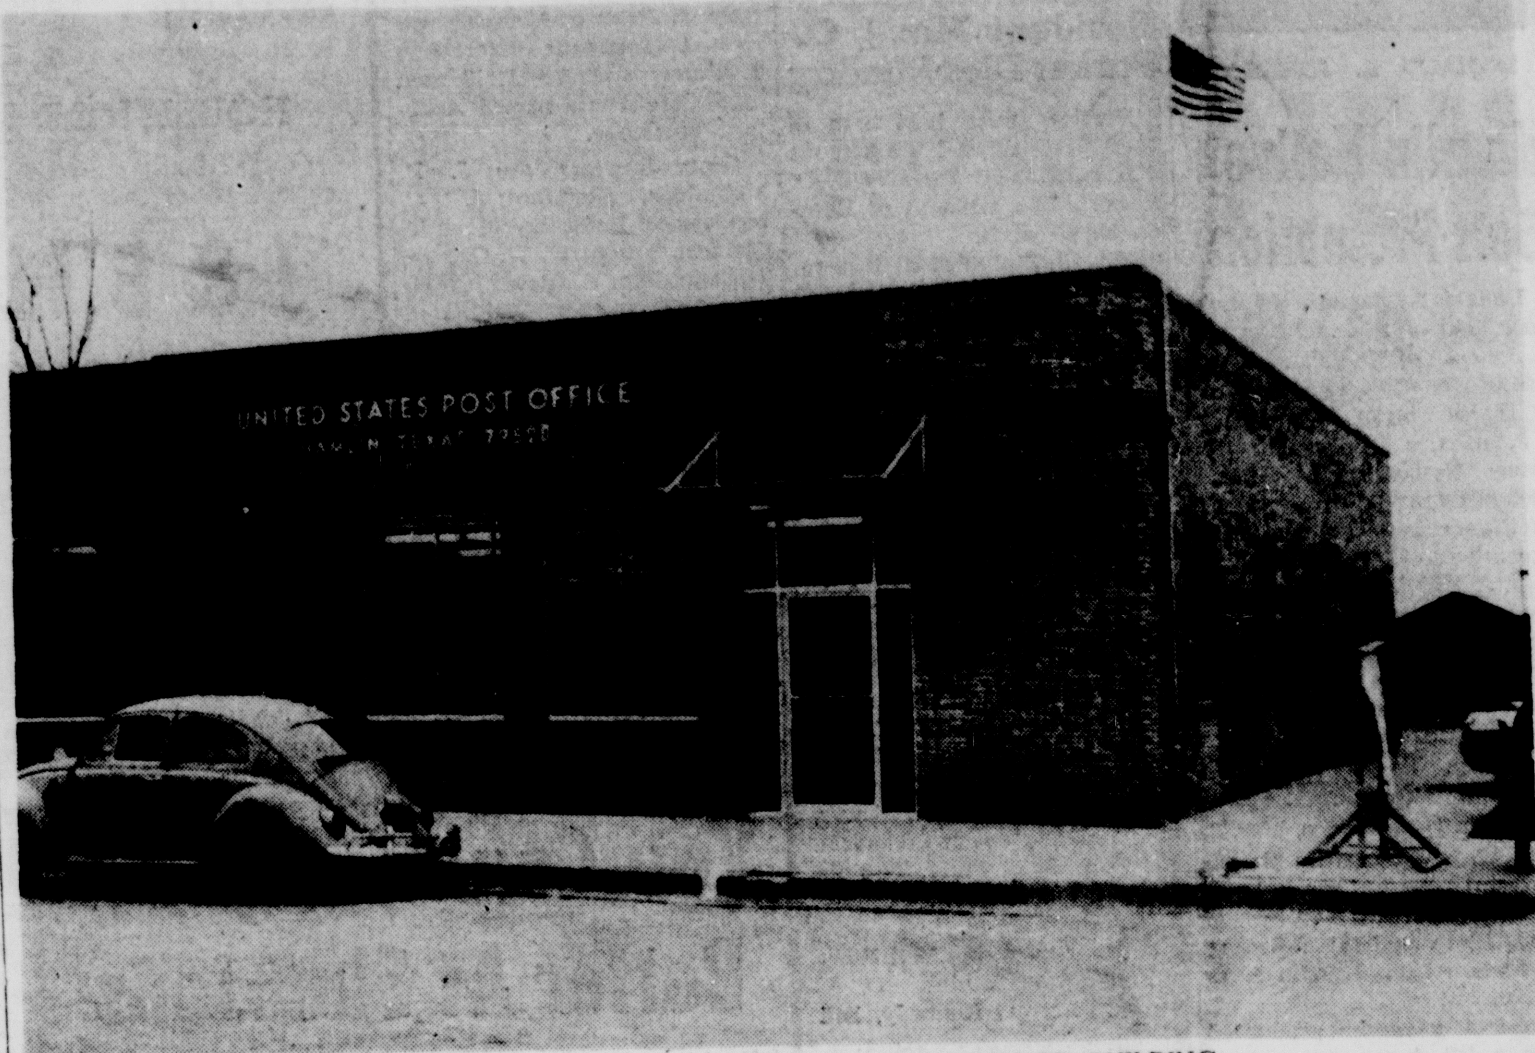

Approximately 30 students plan to take the Merit Test at 8:30. The NMSQT is a three-hour examination of educational development. The test is the first step in the eleventh annual competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, colleges, associations, unions, trusts, and individuals.

'45 IN '65' AND GOVERNOR'S PLAN—

Costs of Teachers' Pay Plans Told

(Editor's Note: The following explanation of the two plans for providing additional pay for Texas teachers was prepared by Jones County Superintendent Everett Beaver.)

Since the Fifty-Ninth Legislature convened, a great deal of newspaper space has been devoted to proposed teacher pay raises in Texas. There seems to be general agreement in the Legislature that a pay

raise is in order, but it appears there is a difference of opinion as to how much the raise should be and the division of the cost between state and local district.

Two principal plans have been proposed for a teacher salary raise, the Governor's plan and the plan "45 for '65" supported by teachers. In short, the Governor's plan would provide a raise in 1965-66 of less than half that provided in the "45 for '65" plan at twice the cost to the local districts of Texas.

In order that the people of Jones County may have the facts as they apply to the school districts of the county, figures are cited hereafter showing relative costs and the division of these costs.

GOVERNOR'S PLAN
The provision in the Governor's plan requiring local districts to bear 20 per cent of the cost of state textbooks and 20 per cent of the state's cost of Teacher Retirement is responsible for the proposed increased cost locally.

Under the Governor's plan, the cost of salary raises for 1965-66 in the Anson Independent School District would be \$7,544. Of this amount, \$6,454 would be paid locally and \$1,090 by the state.

In the Avoca Independent School District the cost of salary raises would amount to \$1,702; the local district would pay \$1,334 and the state \$368.

In the Hamlin Independent School District the cost of salary raises would amount to \$9,384. The Hamlin district would pay all the cost of the raise plus \$2,417.

Mr. and Mrs. Charles R. Lovell, Hamlin residents for 12 1/2 years, moved Monday to Huntsville where he is employed with the State Department of Corrections, stationed with the main unit in Huntsville. He has been there since Jan. 7. The couple has two daughters, Alice, of the home, and Rose, a student at Hardin-Simmons University, Abilene.

(Editor's Note: This does not include \$2150 that would be available from the state under this plan's incentive pay arrangement. This is a matching fund plan where the state would pay \$50 per teaching unit if the local board pays over the state minimum. Hamlin is now paying \$200 over the state scale and the state would pay \$50 of this under this plan.)

In the Hawley Independent School District salary raises would cost \$3,312. The local district would provide \$2,380 of this sum and the state \$932.

The cost of salary raises in Lueders Independent School District would total \$2,576. The local district would pay the entire cost plus \$428.

The Stamford County Line Independent School District salary raise cost would total \$12,144, with the local district providing \$6,148 of this amount and the state providing the remainder, \$5,996.

In the Noodle-Horn Common School District, salary raise costs would be \$1,380, with the district providing the entire amount plus an additional \$1,270.

"45 for '65" Plan
Costs under the "45 for '65" plan would be distributed as hereafter listed:

Trustee Filing Deadline Today; Two Seek Office

At noon Wednesday no additional names had been registered with the Superintendent's office for positions on the Hamlin Board of Education.

Trustees filing for reelection earlier are Richard Young Jr. and Joe Hudspeth.

Deadline for filing is at 4 p.m. today (Thursday). The election will be held April 3 and absentee voting will get underway Mar. 15 through Mar. 30.

Anson — Salary raise cost \$16,808; local district's share \$3,765; state's share \$13,043.
Avoca — Raise cost \$3,746; local district's share \$778; state's share \$2,968.

Hamlin — Cost of raise \$20,655; local district's share \$6,884; state's share \$13,771.

Hawley — Salary raise cost \$7,290; district's share \$1,388; state's share \$5,902.

Lueders — Salary cost \$5,670; district's share \$1,752; state's share \$3,918.

Stamford — Salary costs \$26,730; district's share \$3,586; state's portion \$23,144.

Noodle-Horn-Salary raise cost \$3,038; district's share \$1,546; state's share \$1,492.

Statewide, the cost of the Governor's plan with its provision requiring the local districts pay 20 percent of the cost of textbooks, 20 percent of the Teacher Retirement, and 20 percent of the pay raise, would cost the local districts 70 percent and the state 30 percent. Proponents of the Governor's plan say that this would bring the total costs to nearer the 80-20 figure set by the Minimum Foundation Law.

Costs of the "45 in '65" plan are apportioned 20 per cent to local districts and 80 per cent to the state.

Plumbing Business Opens Here Mon.

A new plumbing business opened Monday at 500 S. Central, owned and operated by Mr. and Mrs. J. C. Farmer.

J&B Plumbing will also offer services in refrigeration and heating, both household and commercial.

Mr. and Mrs. Farmer, resident of the Hamlin area since 1953, said Monday that Van Melton had been employed as plumber.

Farmer has worked in refrigeration for five years and has attended refrigeration school in Abilene. He also has a diploma from Whirlpool Refrigeration School.

COMPLETELY REMODELED—

Post Office Back 'Home' Again

The Post Office moved "home" this week end and the employees are busy trying to get everything straight in the recently remodeled quarters. The building at Southwest Third and Avenue A, owned by Art and Stanley Carmichael of Abilene, has been the location of the Post Office since June 1951.

Perry Sparks, postmaster, said Tuesday that there is still some furniture due to arrive. When the complete remodeling project is finished the post office will have all new or completely refurbished fixtures and furniture.

The new metal postal boxes, put into operation Monday, give the local office more of each of the one, two and three size boxes plus the addition of several of the four size, a larger drawer-type box.

The outer lobby with the box sections and mail drops will be open 24 hours. The service lobby, for parcel post, stamps, money orders, etc. will be open during regular post office hours, 8 a.m. to 4:30 p.m. week days and 8 a.m. to 12 noon on Saturday. The service lobby opens from the outer lobby through double glass doors.

An additional mail-drop for Air Mail and Special Delivery has been added to give faster service by enabling employees to connect with all dispatches.

Improvements to the building include vinyl asbestos floor covering, suspended ceiling, ceramic tile on walls and floor of bathrooms, glareless fluorescent lighting, refrigerated air conditioning and central heating, new venetian blinds, plate glass windows and doors and walls and woodwork painted in pastel green, accented with bluish grey on the lower portion of the walls.

The postmaster's office, utility and storage areas use space formerly occupied by the Hamlin Board of Community Development. Entrance to the office is through the service lobby, just off of the main lobby. The parking area just west of the building was paved.

Also included in the updating of the post office is the addition of an outside box to be used exclusively for out of

town mail to be picked up by a Star Route carrier at 7:15 each evening. At this time the outside box is being used for both in-town and out-of-town mail until six p.m. When the new box is added only out-of-town mail will be placed in one box and the in-town mail in the other.

Post office officials say that patrons are adapting readily to the new boxes and new procedure.

A major change in mailing

addresses for boxholders has come about because of the new boxes. Numbering on the previous boxes did not correspond with the new boxes, therefore approximately 90% of the boxholders now have new box numbers.

Work is still underway in the service lobby with the counter top and front panels still to be installed.

Furniture for the postmaster's office and the lobby desk will be arriving later.

Stage Band Wins First at Brownwood

The Piper Stage Band of Hamlin High School won first in competition with nine bands in Class 2-A in the 14th annual Brownwood Stage Band Festival held Friday. The best stage bands in the state attend this annual event, and the three-day festival included 45 bands from all over the state of Texas.

Winning second in Class 2-AA was Bridgeport and DeKalb won third place, or showmanship award.

Judges were Don Jacoby, Clem DeRosa, both of New York, Leon Braeden of North Texas State University, and Vincent DiNino of the University of Texas.

Class A winners were Mid-

way of Waco, Kennedale and Mart. Class 3-AAA winners were Snyder, Sweetwater and Stephenville. Kimball of Dallas Paschal of Fort Worth and Arlington Heights of Fort Worth were the top three in Class 4-AAA.

The Brownwood High Auditorium was filled to capacity with listeners for three full days. Added features were lab band concerts by N. T. S. U. and Texas Christian University.

Piper Band In Lamesa Festival Sat.

The Hamlin Piper Band is again making plans to attend the Lamesa Invitational Band Festival to be held Saturday. The students will leave here Friday afternoon and housing will be furnished in Lamesa for the night.

Performance time will be 2 p.m. Saturday. The judges of the contest program, which includes two overtures and a march, are James Kerr of the University of Kansas and Ralph Mills of Sam Houston State College. Dean Killion of Texas Technological College is the judge for the sightreading performances.

A short concert by the West Texas State University Concert Band will be presented before the presentation of trophies Saturday afternoon.

Entertainment will be provided for visiting bands Friday night. This program will include the Slumtown Symfunny, a group of adult instrumentalists from Lamesa, the Lamesa Stage Band, and the Hamlin Stage Band.

In preparation for the band festival, a full band rehearsal will be held tonight (Thursday.)

Shivers Named On All-District

The Piper basketball team placed one man on the District 5-AA All District Team and one on the Honorable Mention list. Making the ten man all district team was Mike Shivers and Robert Pearce was placed on the honorable mention list.

Winters, Ballinger and Colorado City each placed two men on the all star team with Anson, Haskell, Stamford and Hamlin each placing one man each.

The all district team includes the following: Jimmy Adams and Denny Aldridge, Winters; Herbie Dankworth and Pat Hambrick, Ballinger; Ronald Hillhouse and David McCay, Colorado City; Jerry Andrus, Anson; Shivers, Hamlin; Joe Joselett, Haskell; and Max Jones, Stamford.

On the honorable mention list is Richard Shade, Larry Rives, Chester Puckett, Winters; Alan Hunt, Joe McCaleb, Anson; Don Taylor, Marc Lovvorn, Stamford; Ronny Smith, Ballinger; Perry Turnbow, Haskell; and Pearce, Hamlin.

Local Charity Tournament Bridge Winners Named

Winners of the Charity Bridge Tournament held here Saturday have been announced by the Hamlin Duplicate Bridge Club, sponsors of the event.

Winners of the afternoon session were: Mr. and Mrs. Summer Claren of Sweetwater, first; Dr. and Mrs. M. L. Smith, second; Lt. Bob Richards of Sweetwater and James K. Graham of Abilene, third. The third place winners also won third place in the overall category.

Placing first in the night session and second overall were Dan Gallagher and Mrs. W. O. Willbanks.

Placing second in the night session and second overall were Sewell Turner and Mrs. Frank Peebles of Abilene. Mrs. M. B. Cox and Mrs. Johnnie Van Dever of Sweetwater placed third in the night session.

TO SPEAK FRIDAY — Dr. R. Hooper Dilday will speak to the elected leadership of the First Baptist Church at a covered dish supper Friday at 7 p.m. He has served in church administration for 40 years and is now director of the church division for the State Missions Commission of the Baptist General Convention of Texas.

DONALD A. JOHNSON

Hamlin Native Gets Promotion

Donald A. Johnson of Lubbock, son of Mr. and Mrs. M. S. Johnson of Hamlin, has been named executive vice president of Plains Cotton Growers Inc. Johnson, a 1955 graduate of Texas Technological College, succeeds the late George W. Pfeifferberger who served as executive officer of the 23 county, 25,000-member cotton producers organization from 1956 until his death last December.

Johnson served as executive assistant to Pfeifferberger for two years. He has been with the organization since 1960.

Born in New Mexico, Mar. 3, 1933, he moved with his parents to Jones County in Sept. of that year. He enrolled in Texas Tech in 1951 following graduation from Hamlin High School.

In four years he graduated with a BS degree in agricultural education. He averaged 25 hours per week part-time work while in college, thereby paying two thirds of his expenses for the four years. At the same time he maintained an average of better than "B" in his college work.

He later returned to Tech to complete nine hours' graduate work in advanced chemistry.

After two years in the U. S. Army Corps of Engineers, he taught chemistry and science in Olton High School and was employed by two agricultural chemical companies as chemist and in field service work.

He is married to the former Yvonne Neal of Lubbock. They have two daughters, Nancy, 12, and Linda Sue, 8.

See us. We deliver: a lot of power, not promises.

Even in our lowest-priced Chrysler models, 383 cubic inches of V-8 engine is standard. So is our big size — the factory doesn't build it. editions. And nearly half our '65 models are priced only a few dollars a month more than some of the most popular small cars, comparably equipped. That figure includes power steering, power brakes, automatic transmission, radio and heater. When you get ready to plunk down the cash, remember: If you're going to pay the price of a Chrysler, get one. See us. We deliver.

By MRS. ELMER JOINER

The old groundhog really knew what he was doing when he predicted six more weeks of winter weather, for we have already had four weeks of it. One day will be like spring, then another cold spell will blow in. Things do not look so good this morning, we had a norther hit last night, and according to the weather man last night we have two more fronts on the way. So if anyone was planning on working in their garden, like we were, it looks as if you will still get to rest awhile.

Some of our sick folks have recovered and others have gotten sick, so we still have sick folks with us. Mrs. Leverett and girls, were able to be in church Sunday, after having been sick two weeks. Mr. and Mrs. Henry were also with us in both services. They are feeling much better.

Mrs. H. L. Ford has been on the sick list with a bad throat, there have been so many that have had this and the flu.

Mrs. Flavel Holmes entered the Hamlin Hospital last Thursday morning with a throat infection. She is much improved and hopes to be out in a few days.

Little Randy Wright has been real sick with a cold, also Keenan, his big brother, but Randy being so little it has been rather alarming.

Harold Valiant, who lives over toward the Plainview store, was carried to the Anson Hospital, Saturday morning, very ill.

Mr. and Mrs. John Beauchamp went to Oklahoma, where they attended funeral services for Mr. Weaver, Mrs. Beauchamp's step-father.

Mr. and Mrs. Marvin Johnson, Bruce and Barry, and Dorothy Gray, all of Amarillo, were visitors in Sunday School and church Sunday morning, having come to spend the weekend with the Winsons Grays and M. S. Johnsons.

Sunday night, Mr. and Mrs. Winsor Gray, attended services at the First Baptist, going with Dorothy.

Mr. and Mrs. Henry have had scads of company, recently. They are the old time gracious hosts, they do love company. Friday night, Mr. and Mrs. W. C. Henry, Elgin, spent the night with them enroute to Higgins, to see their daughter, then they came back again Sunday night.

Mr. Warren Henry, of Lubbock, Mr. Henry's brother spent last Sunday night with them, his wife being at the bedside of her sister, in Haskell. Mrs. Henry's sister, Mrs. Anderson, passed away later.

Saturday afternoon, Mr. and Mrs. Clois Henry, and children, came over from San Angelo, to see his parents. Friday afternoon visitors of the Henrys were Mr. and Mrs. Joe Ford and Mrs. Fred Rosenbaum. Friday night, Rev. Kenneth Leverett called by, returning from a meeting in Anson.

Mrs. Fred Rosenbaum visited with Mrs. Albritton, Saturday afternoon, in Holiday Lodge.

Mrs. Kenneth Leverett, Kimmy and Kristy, spent from Thursday until Sunday, with her mother, Mrs. Tanner in Abilene. When you have been ill there is no medicine like "mothers presence."

Mr. and Mrs. Elmer Joiner went to Stamford, Sunday afternoon, to see their children, the Jimmy Joiners.

Mr. and Mrs. Fred Rosenbaum visited Sunday afternoon, in Anson, with Mr. and

OLD GLORY ...

By Judy White
Variety Club:

Mrs. John L. Garner was hostess for the Variety Club meeting at her home Tuesday, Feb. 23, at 2:00 p. m. Mrs. Garner is a former member of the club and withdrew in November when the family moved to Aspermont.

Ten members and one visitor, Donnice Sawyers, were present. The hostess received surprise gifts from those who attended.

Mrs. Ray Bridges will host the next meeting at her home on Tuesday, March 9th.

Funeral service were held in the Haskell Church of Christ last Thursday, February 25th for Vernon D. McBroom, a former resident of this community.

Mr. McBroom was born here Jan. 18, 1930 and attended school here. He married Nina Jean Bryson at Bryson. He studied for the ministry at Lubbock Christian College. He was minister of the Church of Christ at Dell City for two years, and at Bishop one year before going to Beeville a year ago.

He died on Tuesday, February 23 in a Corpus Christi hospital where he had been a patient for one week. He had been in failing health since April, 1964.

Survivors include his wife of Beeville; a daughter, Lynette and two sons, Henry and Dennis, all of the home; his mother, Mrs. Iva McBroom of Haskell; three sisters, Mrs. Julius Perryman of Rule, Mrs. James Rossan of Monahans and Mrs. David Heller of Levittown, Pa. four brothers, Ralph of Arlington, Ancil of Brady, Waymond

of Haskell; and Orville of Oklahoma City, Okla.

Mr. and Mrs. W. H. Hargrove and Mrs. Jack Fuqua, all of Stamford, visited with Mr. and Mrs. Lynn Flowers on Monday of last week.

Tommy Letz, student at Texas Tech, was here last week end visiting his parents, Mr. and Mrs. Charlie Letz.

Major and Mrs. Glen T. Johnson and children of Wichita Falls were here last Sunday visiting his parents Mr. and Mrs. B. R. Johnson.

The Old Glory School Board of Trustees and their wives entertained the faculty and their husbands or wives with a delicious turkey supper in the school cafeteria last Friday night.

The group played games after the supper.

A basket lunch at noon and then a singing in the afternoon was enjoyed in the Church of Christ's new building here last Sunday. Several families from out of town attended.

A March of Dimes benefit basketball game in the local gym last Thursday night and a concession stand serving coffee, cookies and cake netted a total of \$145.55.

Tom Pritchard, high school coach, was responsible for organizing the teams to provide the entertainment. Ladies of the Variety Club brought the refreshments for the concession stand.

The largest donation was presented by Ed Letz in the amount of \$50. on behalf of the Stonewall County Beer Distributors.

Mrs. Garrett Spitzer is directing the campaign in the Old Glory community this year.

Jones County 4-H Fun Festival Set For March 30

The Annual Jones County 4-H Fun Festival has been set for Tuesday night March 30, at 7:30 p.m. in Anson High School Auditorium, according to word this week from Jones County Extension Agents, Mrs. Mary Newberry and Mr. Kir-

by Clayton.

All Jones County 4-H Clubs will participate in the events and the winning skit in the senior division will compete in district competition at Wichita Falls in May.

The Rio Grande River rises at the foot of the Continental Divide in Southern Colorado and flows through New Mexico to enter Texas near El Paso.

PIPER PATER—

March 1-5 Set As Courtesy Week

To commemorate Texas School Week, the Hamlin Public Schools were open for all parents and other people to visit during the annual Open House. The high school, as well as the lower grades, worked diligently on projects, posters, and other classwork in order to give the people visiting the school an insight into the work that has been done through the school year.

The Student Council and the faculty of Hamlin High School were hosts for the occasion. Refreshments were prepared and served in the cafeteria by the Future Homemakers of America.

—HHS—

The week of March 1-5 was designated as Courtesy Week by the Student Council. One of the projects of the Council,

Courtesy Week is an effort to try to promote more friendliness and politeness among fellow students and the faculty.

—HHS—

As March 12 draws nearer, the Seniors are getting more and more nervous about the Senior Play, "Money Mad". Tickets can be bought from any senior student.

—HHS—

The sports of Hamlin High are still in action as the Track Team journeys to Winters Saturday, March 6.

—HHS—

The Future Homemakers of America will have a monthly meeting Friday March 5, in the High School Cafeteria. The program is entitled "Meet the Faculty." Several of the teachers will speak to the girls.

NEW BRILLIANCE FOR THE STUDENT

... with the TENSOR STUDENT LAMP, a rugged, all-metal high-intensity lamp designed specifically for student use. This mite-sized lamp weighs only 2 pounds, takes up less than six square inches on a crowded desk, yet produces a powerful, glare-free light of sun-like brilliance.

Key to its amazing performance is the Tensor-engineered transformer that steps down the voltage of a standard AC socket, steps up light intensity to the equivalent of a 100-watt conventional desk lamp.

The Tensor Student Lamp provides the perfect light for reading, for desk use at home or in the dormitory, for library work, for microscope illumination, for drafting, for dissecting, for specimen study, for model construction. It makes those last-minute cram sessions a lot easier on the eyes, too.

The lamp's flexible gooseneck arm and swivel reflector let you direct the light precisely where you want it. Yet it's practically tip-proof, thanks to its weighted base. It's good looking, too, with its neutral gray wrinkle finish and chrome gooseneck.

So brighten things for the student prince (or princess) in your family by getting him a Tensor Student Lamp. You'll find it encourages good reading and study habits. Warning: if there are more than one student in your household, better get a Tensor Student Lamp for each. People become very attached to their Tensors, don't surrender them easily.

Tensor Student Lamp: **\$995**

YEARS AGO...

FORTY-FIVE YEARS AGO

R. L. Howard, who has been ill, is able to be up this week. This week Hamlin lost a good family when Engineer C. P. Mann moved to San Angelo, where he has purchased a nice home.

E. F. Sevier of Plainview was here Monday closing out a sale of his farm east of town. He sold the place to Mrs. Perryman, who lives near McCauley.

THIRTY-FIVE YEARS

Mr. and Mrs. J. C. Culbertson of Waxahachie and Mr. and Mrs. Marvin Culbertson were here Tuesday to attend the funeral of M. T. Via. Both the families formerly lived in Hamlin, and J. C. Culbertson still has land interests here.

Mrs. L. D. Watt of Lincoln, Neb., visited several days with Mrs. Lem Miller and family.

Thursday evening Mrs. Burns Eakin entertained with a surprise birthday dinner for her husband. Attending the affair were Messrs. and Mmes. J. J. Waggoner, Martin McCain, F. B. Moore, Paul Bryan, Fred Britton, D. C. Gibson, Jess Petty, Bill Rountree, John C. Turner, J. W. Ezell and Billie Bryant.

TWENTY-FIVE YEARS AGO

Good rains followed by snow in the Hamlin territory during the past several days will be a boon to the small grain in the area as well as pastures and farm land generally.

Mr. and Mrs. R. L. Goodgame visited their daughter, Mrs. Pete Plemons, and family at Odessa.

Mrs. Edward Gardner is in the Abilene hospital taking treatments this week.

FIFTEEN YEARS AGO

Hamlin club boys last weekend took \$610, or about half, the prize money posted for winners in the annual Jones County Club Boy's Livestock Show, held at Stamford.

Golf course of the Hamlin Golf Club will be revamped and improved under plans announced this week by the club officials.

Hamlin community has raised 75 per cent of its Red Cross quota, according to W. C. Russell, fund chairman.

No opposition to the announced slate of candidates for city office had been filed at mid-week. The election is scheduled Tuesday.

TEN YEARS AGO

Hamlin club boys won about half the prize money at the Jones County Club Boys' Livestock Show at Anson last weekend.

More than half the \$20,000 needed for construction of the new swimming pool at the Hamlin City Park has been raised, according to Jack Russell, campaign chairman.

A city-wide prayer crusade will be conducted next week in most of the churches of Hamlin under the sponsorship of the Hamlin Ministerial Alliance.

FIVE YEARS AGO

Crowds expected at open house for Schools despite bitter cold weather.

Members of the O-Ki-Hi group, Camp Fire Girls, participated in the national tree planting project. The group includes Jane Ferguson, Sherilynne Witt, Helen Hastings, Johnnie Harbert, Jan Albritton, Sandra Browning, Kay Hod-

'Oklahoma' To Be Presented In Abilene Soon

Two public performances of Rodgers and Hammerstein's fabulous musical, "Oklahoma," will be presented by the Abilene Philharmonic Saturday, March 13, at Abilene High School auditorium. Philharmonic members will preview the show Friday night at the regular subscription concert.

Curtain will go up Saturday at 2 p. m. for the matinee and at 8:15 p. m. for the evening performance. Tickets prices are as follows: \$1.00 for students and \$2.00 for adults, with no reserved seats, for the matinee; \$3.00, \$2.25 and \$1.50, with seats reserved by sections, for evening.

A top-notch cast has been assembled, with artists from Abilene, Dyess AFB, the local colleges and area towns. All the famous songs will be featured, including "Oh, What a Beautiful Morning," "The Surrey With the Fringe on Top" and "People Will Say We're in Love."

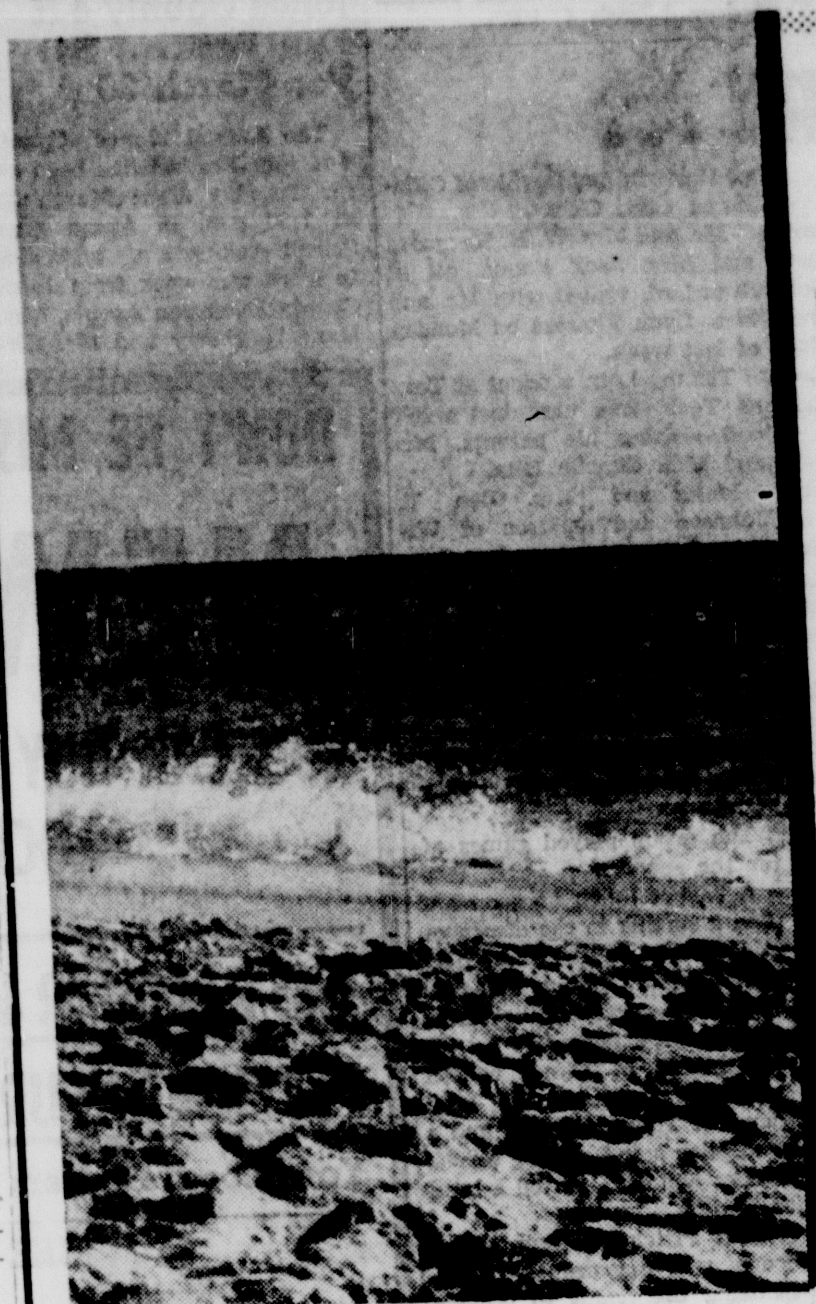

The entire production is being designed and directed by Lewis Fulks, associate professor of speech at Abilene Christian College. Music director is Leo Sheer, Music Director-Conductor of the Abilene Philharmonic Association.

nett, Glenda Huspeth, Cynthia Stephens, Linda Legan and Julie Robb.

Another session was held to consider organization of Jaycees.

First issue of Celo-News monthly newsletter of the Hamlin plant of Celotex Corporation mailed Tuesday.

Louise Proctor, operator at Southwestern Bell Telephone Co., fell on the icy sidewalk, and sustained a broken knee.

Many more words of comfort await you in the Bible and in the Church as His words are proclaimed from the pulpit. We invite you to attend church this week. You will be glad you did.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

DEEP AS THE SEA

Standing in the sand, looking at the sea, one cannot help thinking of the boundless, fathomless love of God toward us. Oh, how he loves us, uplifts us, protects us and encourages us. There comes to mind many of his precious promises and the heart swells with gratitude. Recalled first of all, perhaps, are verses like these:

"Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee: yea, I will help thee."

"Yea, I have loved thee with an everlasting love: therefore with loving kindness have I drawn thee." Jeremiah 31:3.

"For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

"For God sent not his Son into the world to condemn the world; but that the world through him might be saved."

John 3:16, 17.

'65 CHEVROLET
These great performers are the lowest priced models at our One-Stop Shopping Center

Top to bottom: Chevy II 100, Corvair 500, Chevelle 300, Chevrolet Biscayne. All 2-door models.

Each of these beauties is the lowest priced in its line. But the ride doesn't show it. Or the interior. Or the performance.

That luxurious Biscayne is as roomy as many expensive cars, has color-keyed interiors, plush vinyls, fine fabrics, full deep-twist carpeting.

Chevelle, America's favorite intermediate-size car, has clean new styling, wide doors, roomy, tasteful interiors and Chevrolet easy-care features.

Chevy II got a lot smarter for '65—but stayed sensible! Still family-size, easy to handle, economical, and the lowest priced Chevrolet you can buy.

Or get a sporty rear-engine hardtop in a Corvair Sport Coupe or Sport Sedan for fun in the months ahead.

Chevrolet, Chevelle and Chevy II are available with the Turbo-Thrift Six for fuel economy, quick warmups, quiet idling. It's light, efficient, smooth and spirited.

Corvair's air-cooled rear-mounted Turbo-Air Six delivers the best balance and traction for this size car.

So be practical. Only you will know. Because it sure won't show!

A VICTORIAN WOMEN'S BURDEN OF CLOTHING — roughly amounted to nearly 40 pounds of corseting, petticoats and outer clothing. Today's svelte ladies shape up smartly in foundations that weigh as little as an ounce and can be completely dressed including shoes and bag for a total of two pounds — thanks to the many miracle fibers of the times.

Featherweight Fabrics Weigh In...for Sheer, Light Comfort

Not since Eve in the Garden of Eden have women been so lightly clad as is the fair sex for spring 1965.

Not only is the American woman the lightest dressed, but also the coolest and shapeliest in outerwear and undergarments created in the wispiest, sheerest and most comfortable fabrics ever.

The experts at Gossard, famous makers of foundation garments, says that spring is the harbinger of some of the breeziest shape-makers in the history of women's apparel.

Even the women in Cleopatra's era wore more clothing than does the discreetly-dressed woman of today. Despite the warm climate of the Nile valley, Egyptian ladies wore over ten pounds of clothing. Though tunics were light and filmy, they disguised metal girdles and the jeweled ornaments they wore were quite heavy too.

In the days of Shakespeare, iron corsets were in fashion. To those ten pounds of torture, Elizabethan ladies added farthingales and heavily-ornamented gowns and cloaks for a total of about 55 pounds.

In the lush, plush Victorian days, the woman wore a mere 37 or so pounds of fashionable attire. Although her girdles were made of linen or cotton, reinforced with whalebone, it weighed about a pound. However, petticoats and dresses added up the poundage.

Following World War I, woman's cultural and social status changed — as did her wardrobe.

Even when the flappers cast off her corsets but donned bos-

Neinda Philosopher Says He's Puzzled By the Drive to Get Everyone to Travel More

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 apparently is not very travel-minded, his letter this week indicates.

Dear editor:

According to a news item I read last night, Washington officials are suggesting we put a sort of tariff on tourists leaving this country every summer in the amount of \$100 a head.

As I understand it, American tourists are spending over a billion dollars a year visiting abroad, and apparently on the theory that they're going to spend everything they have on them, Washington has suggested we tax them \$100 just before they leave, which would be \$100 they sure wouldn't spend over there. At least we'd keep some of the money in this country.

I don't have an opinion on this proposal, as that's one tax that sure wouldn't hit me, as I ain't going.

Understand, I don't quarrel with anybody who wants to visit abroad, let him go if he wants to, but my theory is that it's time the Europeans came over here and looked at us. After all, when you come to think of it, the land holding up Buckingham Palace in London is not one year older than the land in this Johnson grass farm. I estimate they were constructed at about the same time. One is just as ancient as the other, and both are equally favorable toward government support.

And while I can't imagine any Englishman spending his money to come over here and look at me and this farm, neither can I imagine me going over there to look at him and his. Of course I know travel is supposed to broaden a person, enlarge his horizon, but I have seen some Americans who have traveled abroad and I can't always tell that the job was accomplished.

Another purpose of the proposed \$100 head-tax on tourists going abroad I understand is to

Femininity Enhances Beautiful, Duti-ful Coat, Suit Fashions

Gone are the days when a career woman's fashions strive to emulate the male. This Spring's designs are feminine and appealing in spite of the fact that they are geared to active lives.

Spring silhouettes are soft and fluid. There is no rigid tailoring and obvious seaming. Textures are smoother and flatter — fabrics are refined and understated.

Tender, delicate tones form the backdrop in the Spring gardens of fashion, with tearoses, gentle greens, marigolds, sweet peas, delphiniums and the varied shades of pebbles and earth. As in every verdant setting there is a peppering of vibrant colors too with bold pungent orange, red and vivid turquoise entering the scene and trailing along is the ever fashionable black and white.

Emphasis has been placed on the complete ensemble in the new career woman look, with the mating game being played in a hundred different ways. Trims of suits are coordinated with coats and blouses are keyed to linings. Ensemble color combinations are refreshing with pale-toned coats of chalk, blue or pink over suits of new rich, deep navy or cool black.

Suits jackets are longer officially but for those who look

Baptist Hold Music Festival in Stamford Church Feb. 19-20

The Jones Associational Music Festival was held at the First Baptist Church in Stamford, Feb. 19 and 20. Churches from the Baptist Double Mountain Area were invited to participate. This Area includes Fisher, Haskell, Knox, Jones, and Stonewall-Kent Associations.

There were two hundred and eighty-three participants. Of this number, forty-seven were hymn players, who played in three divisions. Choirs were heard from churches at Haskell, Jayton, Anson, Hamlin, and Stamford.

On Friday night there were four Adult and Youth Choirs and six vocal entries, with fifteen hymn players. On Saturday there were seven Junior and Primary Choirs presented for adjudication, along with thirty-two hymn players.

The purpose of this Festival is to improve and promote church music.

Extension Specialist Urges Study Of Grocery Ads Before Shopping

COLLEGE STATION, — The Grade A large eggs offer food shoppers the most economy and quality for their money.

Plentiful supplies of dairy products are also available, and there's no price change here. Cheese is one of the valuable protein foods and is versatile. Bananas highlight most fruit counters, so use them generously while they are available at attractive prices. Several varieties of apples are plentiful. Just appearing on the markets in limited supply are pineapples, rhubarb, strawberries and honeydew melons. Red tart cherries and pears highlight the canned goods department.

Best vegetable buys include head lettuce, celery, cabbage, carrots, cauliflower, broccoli, green peppers, radishes and green onions. Potatoes are available at relatively higher prices since supplies are down considerably.

The rolling mill for working metals was first described by Leonardo da Vinci.

At retail meat counters, look for more emphasis on marketing the rib and loin cuts during the next several weeks. Consider stew meat for variety in menu planning and to help stretch the budget as well.

Pork values include pork loins, picnics, hams, shoulder roasts and steaks. Pork supplies are below those of a year ago, however some markets are featuring specials on roll sausage, Boston butt roasts and chops.

Frying chicken continues to represent a good value, and the fryers are weighing about 2 1/2 to 3 pounds, giving more meat in proportion to the bone.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN - Gov. John Connally served notice on the U. S. Labor Department he does like its directives that unskilled high school students in War on Poverty program jobs must be paid more than some of their parents make.

Connally, needed by an unnamed Labor Department official, indignantly denied he is scuttling the new neighborhood Youth Corps job project. But he made clear he won't approve applications of some 23 local school districts for participation in the program until he is sure they know what they are getting into.

NYC offers part-time jobs (10-15 hours a week) around schools and public agencies to youngsters 16-21 who are on the verge of becoming high school dropouts because of financial difficulties. Federal government pays 90 per cent of the cost and local participating units 10 per cent. But next year the cost will be shared 50-50.

Connally spoke out against the Labor Department ruling that students must be paid \$1.25 per hour, the federal minimum wage.

The 23 districts, before ruling was announced, proposed to pay rates ranging from 60 cents to \$1.20 an hour. Originally, Labor Department had notified the districts wages "should be a little below the prevailing en-

try rates for inexperienced workers in similar occupations. The \$1.25 order came out after applications were filed.

"This action," protested Connally, "would place local school districts in the awkward and unrealistic position of paying inexperienced school age students of underprivileged families a rate of pay for casual chores that in many cases would exceed that of adult employees working in the same facility, the average earnings of their own parents, and the wages he himself might reasonably expect to earn in the days immediately following school."

Furthermore, Connally noted, a directly parallel program for potential dropouts among college students administered by Department of Health, Education and Welfare pays 75 cents an hour upward.

House of Representatives applauded Connally's stand but specified it did not intend to criticize the President or his War on Poverty program.

COORDINATING BOARD APPROVED - Governor Connally's nuptial one project of the session - creation of a powerful 18-member coordinating board to supervise all aspects of higher education in Texas - swept through both houses of the Legislature with the speed of a blue norther.

Legislators who opposed it

RECEIVED FIRST EASTER SEALS - Governor John Connally received the first sheet of 1965 Easter Seals to be distributed in Texas on the eve of the Annual Easter Seal Campaign, opening March 1 and continuing through Easter Sunday. The 1965 National Easter Seal Chairman, Lucille Ball, of "I Love Lucy" fame, and Chuck Winkles of Dallas made the presentation at the Governor's Mansion. Winkles is the Texas Easter Seal Child for the 1965 Campaign.

and there were only a few - had as much chance of stopping it as they would of forestalling a gathering storm.

After being guided through the House by Rep. Dick Cory of Victoria, the bill was picked up by Sen. Bill Moore of Bryan in the Senate, where it went through without an amendment and was passed on to the governor for signing.

Connally has until September 1 to choose the 18 members of the board. They will replace the Texas Commission on Higher Education and will take on the task of directing all higher education institutions from junior colleges through the university systems.

Board will decide what courses are to be offered by each institution. It was given the most far-reaching authority granted by the Legislature since the Railroad Commission was authorized to grant railroad permits. Present college boards of regents will continue to serve. But they will be responsible to the new overall coordinating board.

Another of the governor's education plans, to replace 12 separate boards of regents which govern the 22 state colleges and universities with three boards of university systems, had not yet been introduced when the coordinating board plan was adopted.

Some legislators feel that the system board plan may have served to lessen the opposition to the coordinating board particularly among representatives from the colleges whose board would be abolished.

PESTICIDE PROTESTED - A cheap poison used against roaches and rats in many homes and in grain storage bins and warehouses can cause loss of hair and mental disturbances, physicians testified in a House committee hearing. In heavy doses, it can kill a person or leave him mentally incompetent, they said.

Doctors appeared at a public health committee hearing on a bill which would outlaw the sale, use or possession of poi-

sons based on thallium compounds.

They said the poison can take effect upon even very brief exposures and that its symptoms are hard to diagnose. Some persons have been interned in mental hospitals before the real reason for their illness was discovered, they said. At present there is no known antidote to the poison except time.

MEDICAL AID PLANNED - Strategy designed to quickly pass a medical assistance bill as soon as Congress passes its expected new legislation has been announced by Rep. Charles Wilson of Lufkin. He is sponsor of a House bill to extend Kerr-Mills payments to elderly persons not on old-age pensions.

Wilson asked a House committee to report out his bill quickly so it could be passed on the floor and sent to the Senate. A Senate bill will not be considered until the federal legislation is enacted, he said. In this way, the Senate version can authorize participation in the new federal plans and the details can be worked out to the satisfaction of House members in a conference committee.

Old-age pensioners already are eligible for help on their medical bills through the federal-state program.

LIQUOR RACING BILL HEARING SET - Horse racing and "small bottles" liquor bills are expected to turn out some of the biggest crowds at legislative hearings this month.

Bill by Rep. Maurice Pipkin of Brownsville to legalize pari-mutuel betting on horse races will be heard by House State Affairs Committee on March 23.

Edinburg Sen. Jim Bales' bill to permit sale of two-ounce bottles of liquor by restaurants will get hearing before Senate jurisprudence committee on March 16.

San Antonio Rep. V. E. (Red) Perry has introduced a proposed constitutional amendment of his own to legalize horse racing on a local option basis in Bexar, Cameron, Dallas, Hidalgo, Harris, Galveston,

Lions Taking Applicants for Kerrville Camp

Applications for a summer vacation full of fun for handicapped children in the Hamlin area are now being accepted by members of the Hamlin Lions Club.

This unique Texas Lions Camp for Crippled Children at Kerrville will open its first two-weeks session Sunday, June 6, 1965. Five Sessions will be held this summer for youngsters from seven through sixteen years of age.

The Camp is free to eligible blind, deaf, mute or crippled children. Transportation to and from Camp is supplied by the Local Lions. All requests for summer camp are handled locally by Lions.

For more detailed information about the Camp, you are urged to contact Bill Davis of the Hamlin Lions Club at SP 4-1676 or SP 4-1317.

In the past years, Lions have sent over 7,000 youngsters to Camp.

Midland, Tarrant and Webb counties.

Only teacher pay raises attract more mail to lawmakers than parimutuel wagering and liquor-by-the-drink legislation. This year, there's strong support on, as well as opposition to, both propositions.

"SPENDING" RULE ROV FLARES - Tightening of a joint House-Senate rule banning consideration of single-purpose spending measures ahead of the general appropriations bill may mean the difference in the type of pay raise teachers get this year.

Senators adopted 22-9 a "compromise" version making the provisions of a stricter House-passed Joint Rule 9-A effective only during the first 120 days of the session. The House is expected to agree.

Opponents say the rule still will prevent even a committee hearing of teacher pay bills until last 20 days of the session - or until the budget is adopted - and certified by the controller.

Teachers fear the delay will be used to gain support for Connally's long-range, graduated pay bill, which they claim gives them far less than their own \$85-a-month across-the-boards raise proposal.

CITIES ASK SALES TAX - Spokemen for cities urged a legislative committee to recommend that cities be given authority to levy local taxes up to one per cent if citizens vote approval in special elections.

They said they have gone about as far as they can with raising property taxes and need additional sources of revenue to provide necessary services.

Union representatives argued there still is plenty of mileage left in property tax. Also a local sales tax would hit little people harder and lighten the load on those most able to pay.

Both bills went to sub-committee.

LERAY LABAUME
... receives award

Hamlin Graduate Receives Top Dept. Commerce Award

Laray LaBaume of Boulder, Colo., son of Mrs. C. E. LaBaume of Hamlin, was honored recently with other colleagues when they received the Department of Commerce Gold Medal, a group award presented to the Topside Sounder Group.

The award was presented for exceptional service, the highest employee awards the department can bestow.

LaBaume and nine colleagues were cited for their success in using rockets and satellites to explore the upper side of the ionosphere. The work resulted in important contributions to research concerning upper atmosphere and plasma physics. LaBaume worked with others under the leadership of Dr. Wynne Calvert, project leader for the Topside Sounder satellite program.

LaBaume joined the National Bureau of Standards as an electronic development technician with Rocket and Satellite Experiments Section of the Aeronomy Division, General Radio Propagation Laboratory, Nov. 25, 1962.

He is engaged in all phases of electronics including engineering, construction, maintenance, development, processing, and operation of all types of electronic equipment. He also deals with various communications systems including long range, very high frequency, and ultra high frequency. He is presently supervisor of the Telemetry Station located near Boulder, where he is engaged in tracking satellites, interpreting data, and reducing data in correlation with the Topside Sounder Program and others.

A graduate of Hamlin High School in 1958, he served in Civil Service during World War II. In 1943 he was married to the former Fanny Chu in Hawaii. They have two children, a son, Lane, 19, a student in Boulder University, and a daughter, Lehua, 10.

* EQUAL PAYMENT PLAN
For WTU residential customers

...is the new approach to a time-tried method of bill paying. Each month you pay one-twelfth of your annual electric service charge. West Texas Utilities Co. makes an estimate of your total electric use for one year, based on your past record, or, with new accounts, records of similar requirements. They divide the total into 12 equal, even-dollar payments. Monthly and yearly review of your account keeps the estimate as close to the actual metered usage as possible. If this review shows a material change in your use of electric service... up or down, due to unusual weather or the addition of some major appliance... you will be notified that a change of estimate is in order. Your 12th payment will be adjusted to balance your account for the Equal Payment Plan Year.

Tickets on Sale For Lions Club Pancake Supper

Tickets are now on sale for the annual Lions Club Pancake Supper to be held Friday, Mar. 12, in the high school cafeteria.

Bob Craig, president of the organization, said this week that tickets could be purchased from any Lions Club member. Ellis West is chairman of the annual project.

Serving will start at 5:30 p.m. and continue until 8 p.m. The supper has been planned on the night of the Senior Play and everyone is being urged to attend the pancake supper and then go to the auditorium for the play.

An auction, featuring home-made cakes and pies, will be held during the supper.

The menu includes pancakes, bacon, coffee or milk, and everyone will get all they can eat for 75c for adults and 50c for children under 12.

B&PW Club To Hear Rev. Bryant Tuesday

The Business and Professional Women's Club meeting Tuesday evening will coincide with National Business Women's Week March 7-13.

The Tuesday evening dinner and program will feature Rev. Byron Bryant, pastor of the First Baptist Church, as the speaker. His subject will be "The Who, What, When, Where and Why of Public Relations."

The public relations committee in charge of the meeting includes Mrs. Ned Moore, chairman, Mmes. Ed Bailey, B. V. Newberry, Ray Sonnenburg and L. R. Fowler.

Each member is requested to bring a guest representing service clubs and organizations in the city.

Theme for the 36th observance of National Business Women's Week is "A Springtime Salute to Working Women."

The Hamlin Club, organized in 1950, has 47 active members, with approximately one-half of the membership being charter members.

Throughout the country, the spotlight is on business and professional women... their achievements and contributions to local, national and world events.

National Merit Scholarship Test To Be Given by High School

Students of Hamlin High School will take part in the National Testing Program here Tuesday, according to B. V. Newberry, principal. They will take the National Merit Scholarship Qualifying Test and the National Educational Development Test.

Approximately 30 students plan to take the Merit Test at 8:30. The NMSQT is a three-hour examination of educational development. The test is the first step in the eleventh annual competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, colleges, associations, unions, trusts, and individuals.

The test scores of students who are examined in March will be reported to their schools before May 15. The scores are used by counselors in many high schools to help students make decisions about college attendance and field of study.

Many students who do not expect to win a scholarship take the test in order to learn more about their individual strengths and weaknesses in the areas measured by the test.

About 40 ninth graders and 40 tenth graders plan to take the National Educational Development Test Tuesday morning.

This test measures the educational growth in five basic curriculum areas to determine how well a student uses what he has learned rather than his knowledge of facts. The areas covered are English usage, mathematics usage, social studies reading, natural sciences reading, and word usage.

Newberry said that this testing program is for the ninth and tenth grades and is designed to help them plan for their future.

The cost of either test is \$1.00.

Mr. and Mrs. William G. McCright of Roby are the parents of a girl born Feb. 25 at 3:20 a.m. She weighed 5 lbs. 9 oz. and was named Twyla Machel.

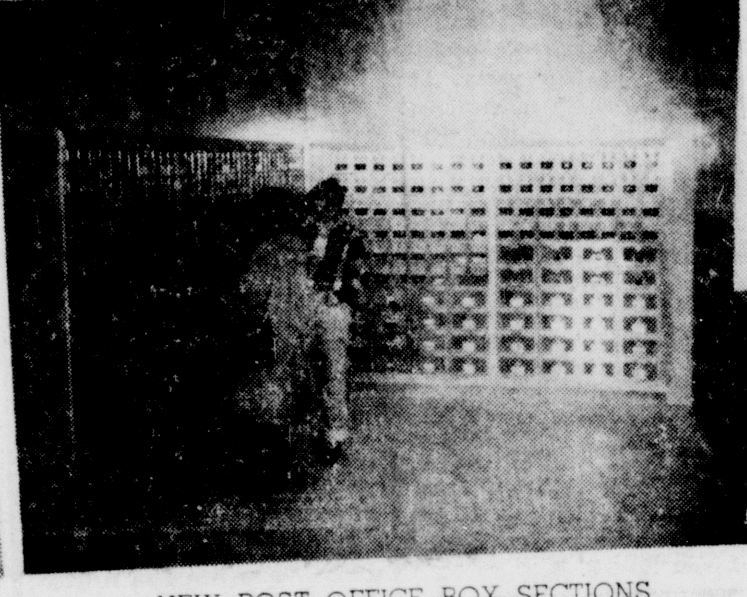

George Campbell, Cecil Sellers and Irby Weaver have filed for reelection. Deadline is noon Saturday, Mar. 6.

'45 IN '65' AND GOVERNOR'S PLAN—

Costs of Teachers' Pay Plans Told

(Editor's Note: The following explanation of the two plans for providing additional pay for Texas teachers was prepared by Jones County Superintendent Everett Beaver.)

Since the Fifty-Ninth Legislature convened, a great deal of newspaper space has been devoted to proposed teacher pay raises in Texas. There seems to be general agreement in the Legislature that a pay

raise is in order, but it appears there is a difference of opinion as to how much the raise should be and the division of the cost between state and local district.

Two principal plans have been proposed for a teacher salary raise, the Governor's plan and the plan "45 for '65" supported by teachers. In short, the Governor's plan would provide a raise in 1965-66 of less than half that provided in the "45 for '65" plan at twice the cost to the local districts of Texas.

In order that the people of Jones County may have the facts as they apply to the school districts of the county, figures are cited hereafter showing relative costs and the division of these costs.

GOVERNOR'S PLAN
The provision in the Governor's plan requiring local district to bear 20 per cent of the cost of state textbooks and 20 per cent of the state's cost of Teacher Retirement is responsible for the proposed increase locally.

Under the Governor's plan, the cost of salary raises for 1965-66 in the Anson Independent School District would be \$7,544. Of this amount, \$6,454 would be paid locally and \$1,090 by the state.

In the Avoca Independent School District the cost of salary raises would amount to \$1,702; the local district would pay \$1,334 and the state \$368.

In the Hamlin Independent School District the cost of salary raises would amount to \$9,384. The Hamlin district would pay all the cost of the raise plus \$2,417.

Mr. and Mrs. Charles R. Lovell, Hamlin residents for 12 1/2 years, moved Monday to Huntsville where he is employed with the State Department of Corrections, stationed with the main unit in Huntsville. He has been there since Jan. 7. The couple has two daughters, Alice, of the home, and Rose, a student at Hardin-Simmons University, Abilene.

(Editor's Note: This does not include \$2150 that would be available from the state under this plan's incentive pay arrangement. This is a matching fund plan where the state would pay \$50 per teaching unit if the local board pays over the state minimum. Hamlin is now paying \$200 over the state scale and the state would pay \$50 of this under this plan.)

In the Hawley Independent School District salary raises would cost \$3,312. The local district would provide \$2,380 of this sum and the state \$932.

The cost of salary raises in Lueders Independent School District would total \$2,576. The local district would pay the entire cost plus \$428.

The Stamford County Line Independent School District salary raise cost would total \$12,144, with the local district providing \$6,148 of this amount and the state providing the remainder, \$5,996.

In the Noodle-Horn Common School District, salary raise costs would be \$1,380, with the district providing the entire amount plus an additional \$1,270.

"45 for '65" Plan
Costs under the "45 for '65" plan would be distributed as hereafter listed:

Trustee Filing Deadline Today; Two Seek Office

At noon Wednesday no additional names had been registered with the Superintendent's office for positions on the Hamlin Board of Education.

Trustees filing for reelection earlier are Richard Young Jr. and Joe Hudspeth.

Deadline for filing is at 4 p.m. today (Thursday). The election will be held April 3 and absentee voting will get underway Mar. 15 through Mar. 30.

Anson — Salary raise cost \$16,808; local district's share \$3,765; state's share \$13,043.
Avoca — Raise cost \$3,746; local district's share \$778; state's share \$2,968.

Hamlin — Cost of raise \$20,655; local district's share \$6,884; state's share \$13,771.

Hawley — Salary raise cost \$7,290; district's share \$1,388; state's share \$5,902.

Lueders — Salary cost \$5,670; district's share \$1,752; state's share \$3,918.

Stamford — Salary costs \$26,730; district's share \$3,586; state's portion \$23,144.

Noodle-Horn-Salary raise cost \$3,038; district's share \$1,546; state's share \$1,492.

Statewide, the cost of the Governor's plan with its provision requiring the local districts pay 20 percent of the cost of textbooks, 20 percent of the Teacher Retirement, and 20 percent of the pay raise, would cost the local districts 70 percent and the state 30 percent.

Proponents of the Governor's plan say that this would bring the total costs to nearer the 80-20 figure set by the Minimum Foundation Law.

Costs of the "45 in '65" plan are apportioned 20 per cent to local districts and 80 per cent to the state.

Plumbing Business Opens Here Mon.

A new plumbing business opened Monday at 500 S. Central, owned and operated by Mr. and Mrs. J. C. Farmer.

J&B Plumbing will also offer services in refrigeration and heating, both household and commercial.

Mr. and Mrs. Farmer, resident of the Hamlin area since 1953, said Monday that Van Melton had been employed as plumber.

Farmer has worked in refrigeration for five years and has attended refrigeration school in Abilene. He also has a diploma from Whirlpool Refrigeration School.

COMPLETELY REMODELED—

Post Office Back 'Home' Again

The Post Office moved "home" this week end and the employees are busy trying to get everything straight in the recently remodeled quarters. The building at Southwest Third and Avenue A, owned by Art and Stanley Carmichael of Abilene, has been the location of the Post Office since June 1951.

Perry Sparks, postmaster, said Tuesday that there is still some furniture due to arrive. When the complete remodeling project is finished the post office will have all new or completely refurbished fixtures and furniture.

The new metal postal boxes, put into operation Monday, give the local office more of each of the one, two and three size boxes plus the addition of several of the four size, a larger drawer-type box.

The outer lobby with the box sections and mail drops will be open 24 hours. The service lobby, for parcel post, stamps, money orders, etc. will be open during regular post office hours, 8 a.m. to 4:30 p.m. week days and 8 a.m. to 12 noon on Saturday. The service lobby opens from the outer lobby through double glass doors.

An additional mail-drop for Air Mail and Special Delivery has been added to give faster service by enabling employees to connect with all dispatches.

Improvements to the building include vinyl asbestos floor covering, suspended ceiling, ceramic tile on walls and floor of bathrooms, glareless fluorescent lighting and central heating, new venetian blinds, plate glass windows and doors and walls and woodwork painted in pastel green, accented with bluish grey on the lower portion of the walls.

The postmaster's office, utility and storage areas use space formerly occupied by the Hamlin Board of Community Development. Entrance to the office is through the service lobby, just off of the main lobby. The parking area just west of the building was paved.

Also included in the updating of the post office is the addition of an outside box to be used exclusively for out of town mail to be picked up by a Star Route carrier at 7:15 each evening. At this time the outside box is being used for both in-town and out-of-town mail until six p.m. When the new box is added only out-of-town mail will be placed in one box and the in-town mail in the other.

Post office officials say that patrons are adapting readily to the new boxes and new procedure.

A major change in mailing

addresses for boxholders has come about because of the new boxes. Numbering on the previous boxes did not correspond with the new boxes, therefore approximately 90% of the boxholders now have new box numbers.

Work is still underway in the service lobby with the counter top and front panels still to be installed.

Furniture for the postmaster's office and the lobby desk will be arriving later.

Stage Band Wins First at Brownwood

The Piper Stage Band of Hamlin High School won first in competition with nine bands in Class 2-A in the 14th annual Brownwood Stage Band Festival held Friday. The best stage bands in the state attend this annual event, and the three-day festival included 45 bands from all over the state of Texas.

Winning second in Class 2-AA was Bridgeport and DeKalb won third place, or showmanship award.

Judges were Don Jacoby, Clem DeRosa, both of New York, Leon Braeden of North Texas State University, and Vincent DiNino of the University of Texas.

Class A winners were Mid-

The all district team includes the following: Jimmy Adams and Denny Aldridge, Winters; Herbie Dankworth and Pat Hambrick, Ballinger; Ronald Hillhouse and David McCay, Colorado City; Jerry Andrus, Anson; Shivers, Hamlin; Joe Joselett, Haskell; and Max Jones, Stamford.

On the honorable mention list is Richard Shade, Larry Rives, Chester Puckett, Winters; Alan Hunt, Joe McCaleb, Anson; Don Taylor, Marc Lovorn, Stamford; Ronny Smith, Ballinger; Perry Turnbow, Haskell; and Pearce, Hamlin.

Local Charity Tournament Bridge Winners Named

Winners of the Charity Bridge Tournament held here Saturday have been announced by the Hamlin Duplicate Bridge Club, sponsors of the event.

Winners of the afternoon session were: Mr. and Mrs. Summer Claren of Sweetwater, first; Dr. and Mrs. M. L. Smith, second; Lt. Bob Richards of Sweetwater and James K. Graham of Abilene, third. The third place winners also won third place in the overall category.

Placing first in the night session and second overall were Dan Gallagher and Mrs. W. O. Willbanks.

Placing second in the night session and second overall were Sewell Turner and Mrs. Frank Peebles of Abilene. Mrs. M. B. Cox and Mrs. Johanne Van Dever of Sweetwater placed third in the night session.

Piper Band In Lamesa Festival Sat.

The Hamlin Pied Piper Band is again making plans to attend the Lamesa Invitational Band Festival to be held Saturday. The students will leave here Friday afternoon and housing will be furnished in Lamesa for the night.

Performance time will be 2 p.m. Saturday. The judges of the contest program, which includes two overtures and a march, are James Kerr of the University of Kansas and Ralph Mills of Sam Houston State College. Dean Killion of Texas Technological College is the judge for the sightreading performances.

A short concert by the West Texas State University Concert Band will be presented before the presentation of trophies Saturday afternoon.

Entertainment will be provided for visiting bands Friday night. This program will include the Slumtown Symfunny, a group of adult instrumentalists from Lamesa, the Lamesa Stage Band, and the Hamlin Stage Band.

In preparation for the band festival, a full band rehearsal will be held tonight (Thursday).

TO SPEAK FRIDAY — Dr. R. Hooper Dilday will speak to the elected leadership of the First Baptist Church at a covered dish supper Friday at 7 p.m. He has served in church administration for 40 years and is now director of the church division of the State Missions Commission of the Baptist General Convention of Texas.

J. J. West, Retired Farmer, Rancher, Dies Here Saturday

J. J. West, 72, retired Hamlin farmer and rancher, died at 5:45 p. m. Saturday in the Hamlin Memorial Hospital. He had been in ill health several years and hospitalized two months.

Funeral was held at 2 p. m. Tuesday in the First Baptist Church with the Rev. Bryon Bryant, pastor, officiating. Burial was in the Neinda Cemetery.

Mr. West had been a resident of the Hamlin area for the past 65 years. He was born Jan. 7, 1893, in Bell County and married the former Stella Johnson here Oct. 8, 1944.

He was a member of the First Baptist Church in Hamlin.

Survivors are his wife; four sons, Charlie and Johnny, both of San Bernardino, Calif., Harlan of Sulphur Springs, and L. L. of Amarillo; three daughters, Mrs. Leonard (Clara) Farr of Temple, Mrs. Marion (Myrtle) Hendricks of Warren, Ariz., and Mrs. Wallace (Lois) Johnston of El Monte, Calif.; two brothers, R. L. of Stamford and Sam of California; one sister, Mrs. Tom Jenkins of San Antonio; 21 grandchildren; and eight great-grandchildren.

DONALD A. JOHNSON

Hamlin Native Gets Promotion

Donald A. Johnson of Lubbock, son of Mr. and Mrs. M. S. Johnson of Hamlin, has been named executive vice president of Plains Cotton Growers Inc. Johnson, a 1955 graduate of Texas Technological College, succeeds the late George W. Pfeifferberger who served as executive officer of the 23 county, 25,000-member cotton producers organization from 1956 until his death last December.

Johnson served as executive assistant to Pfeifferberger for two years. He has been with the organization since 1960.

Born in New Mexico, Mar. 3, 1933, he moved with his parents to Jones County in Sept. of that year. He enrolled in Texas Tech in 1951 following graduation from Hamlin High School.

In four years he graduated with a BS degree in agricultural education. He averaged 25 hours per week part-time work while in college, thereby paying two thirds of his expenses for the four years. At the same time he maintained an average of better than "B" in his college work.

He later returned to Tech to complete nine hours' graduate work in advanced chemistry. After two years in the U. S. Army Corps of Engineers, he taught chemistry and science in Olton High School and was employed by two agricultural chemical companies as chemist and in field service work.

He is married to the former Yvonne Neal of Lubbock. They have two daughters, Nancy, 12, and Linda Sue, 8.

See us. We deliver: a lot of power, not promises.
Even in our lowest-priced Chrysler models, 383 cubic inches of V-8 engine is standard. So is our big size — the factory doesn't build it. editions. And nearly half our '65 models are priced only a few dollars a month more than some of the most popular small cars, comparably equipped. That figure includes power steering, power brakes, automatic transmission, radio and heater. When you get ready to plunk down the cash, remember: If you're going to pay the price of a Chrysler, get one. See us. We deliver.

By MRS. ELMER JOINER

The old groundhog really knew what he was doing when he predicted six more weeks of winter weather, for we have already had four weeks of it. One day will be like spring, then another cold spell will blow in. Things do not look so good this morning, we had a norther hit last night, and according to the weather man last night we have two more fronts on the way. So if anyone was planning on working in their garden, like we were, it looks as if you will still get to rest awhile.

Some of our sick folks have recovered and others have gotten sick, so we still have sick folks with us. Mrs. Leverett and girls, were able to be in church Sunday, after having been sick two weeks. Mr. and Mrs. Henry were also with us in both services. They are feeling much better.

Mrs. H. L. Ford has been on the sick list with a bad throat, there have been so many that have had this and the flu.

Mrs. Flavil Holmes entered the Hamlin Hospital last Thursday morning with a throat infection. She is much improved and hopes to be out in a few days.

Little Randy Wright has been real sick with a cold, also Keenan, his big brother, but Randy being so little it has been rather alarming.

Harold Valiant, who lives over toward the Plainview store, was carried to the Anson Hospital, Saturday morning, very ill.

Mr. and Mrs. John Beauchamp went to Oklahoma, where they attended funeral services for Mr. Weaver, Mrs. Beauchamp's step-father.

Mr. and Mrs. Marvin Johnson, Bruce and Barry, and Dorothy Gray, all of Amarillo, were visitors in Sunday School and church Sunday morning, having come to spend the weekend with the Winsons Grays and M. S. Johnsons.

Sunday night, Mr. and Mrs. Winslon Gray, attended services at the First Baptist, going with Dorothy.

Mr. and Mrs. Henry have had scads of company, recently. They are the old time gracious hosts, they do love company. Friday night, Mr. and Mrs. W. C. Henry, Elgin, spent the night with them enroute to Higgins, to see their daughter, then they came back again Sunday night.

Mr. Warren Henry, of Lubbock, Mr. Henry's brother spent last Sunday night with them, his wife being at the bedside of her sister, in Haskell. Mrs. Henry's sister, Mrs. Anderson, passed away later.

Saturday afternoon, Mr. and Mrs. Clois Henry, and children, came over from San Angelo, to see his parents. Friday afternoon visitors of the Henrys were Mr. and Mrs. Joe Ford and Mrs. Fred Rosenbaum. Friday night, Rev. Kenneth Leverett called by, returning from a meeting in Anson.

Mrs. Fred Rosenbaum visited with Mrs. Albritton, Saturday afternoon, in Holiday Lodge.

Mrs. Kenneth Leverett, Kimmy and Kristy, spent from Thursday until Sunday, with her mother, Mrs. Tanner in Abilene. When you have been ill there is no medicine like "mothers presence."

Mr. and Mrs. Elmer Joiner went to Stamford, Sunday afternoon, to see their children, the Jimmy Joiners.

Variety Club:

Mrs. John L. Garner was hostess for the Variety Club meeting at her home Tuesday, Feb. 23, at 2:00 p. m. Mrs. Garner is a former member of the club and withdrew in November when the family moved to Aspermont.

Ten members and one visitor, Donnie Sawyers, were present. The hostess received surprise gifts from those who attended.

Mrs. Ray Bridges will host the next meeting at her home on Tuesday, March 9th.

Funeral service were held in the Haskell Church of Christ last Thursday, February 25th for Vernon D. McBroom, a former resident of this community.

Mr. McBroom was born here Jan. 18, 1930 and attended school here. He married Nina Jean Bryson at Bryson. He studied for the ministry at Lubbock Christian College. He was minister of the Church of Christ at Dell City for two years, and at Bishop one year before going to Beeville a year ago.

He died on Tuesday, February 23 in a Corpus Christi hospital where he had been a patient for one week. He had been in failing health since April, 1964.

Survivors include his wife of Beeville; a daughter, Lynette and two sons, Henry and Dennis, all of the home; his mother, Mrs. Iva McBroom of Haskell; three sisters, Mrs. Julius Perryman of Rule, Mrs. James Rossan of Monahans and Mrs. David Heller of Levittown, Pa. four brothers, Ralph of Arlington, Ancil of Brady, Waymond

of Haskell; and Orville of Oklahoma City, Okla.

Mr. and Mrs. W. H. Hargrove and Mrs. Jack Fuqua, all of Stamford, visited with Mr. and Mrs. Lynn Flowers on Monday of last week.

Tommy Letz, student at Texas Tech, was here last week end visiting his parents, Mr. and Mrs. Charlie Letz.

Major and Mrs. Glen T. Johnson and children of Wichita Falls were here last Sunday visiting his parents Mr. and Mrs. B. R. Johnson.

The Old Glory School Board of Trustees and their wives entertained the faculty and their husbands or wives with a delicious turkey supper in the school cafeteria last Friday night.

The group played games after the supper.

A basket lunch at noon and then a singing in the afternoon was enjoyed in the Church of Christ's new building here last Sunday. Several families from out of town attended.

A March of Dimes benefit basketball game in the local gym last Thursday night and a concession stand serving coffee, cookies and cake netted a total of \$145.55.

Tom Pritchard, high school coach, was responsible for organizing the teams to provide the entertainment. Ladies of the Variety Club brought the refreshments for the concession stand.

The largest donation was presented by Ed Letz in the amount of \$50, on behalf of the Stonewall County Beer Distributors.

Mrs. Garrett Spitzer is directing the campaign in the Old Glory community this year.

Jones County 4-H Fun Festival Set For March 30

The Annual Jones County 4-H Fun Festival has been set for Tuesday night March 30, at 7:30 p.m. in Anson High School Auditorium, according to word this week from Jones County Extension Agents, Mrs. Mary Newberry and Mr. Kir-

by Clayton.

All Jones County 4-H Clubs will participate in the events and the winning skit in the senior division will compete in district competition at Wichita Falls in May.

The Rio Grande River rises at the foot of the Continental Divide in Southern Colorado and flows through New Mexico to enter Texas near El Paso.

NEW BRILLIANCE FOR THE STUDENT

... with the TENSOR STUDENT LAMP, a rugged, all-metal high-intensity lamp designed specifically for student use. This mite-sized lamp weighs only 2 pounds, takes up less than six square inches on a crowded desk, yet produces a powerful, glare-free light of sun-like brilliance.

Key to its amazing performance is the Tensor-engineered transformer that steps down the voltage of a standard AC socket, steps up light intensity to the equivalent of a 100-watt conventional desk lamp.

The Tensor Student Lamp provides the perfect light for reading, for desk use at home or in the dormitory, for library work, for microscope illumination, for drafting, for dissecting, for specimen study, for model construction. It makes those last-minute cram sessions a lot easier on the eyes, too.

The lamp's flexible gooseneck arm and swivel reflector let you direct the light precisely where you want it. Yet it's practically tip-proof, thanks to its weighted base. It's good looking, too, with its neutral gray winkle finish and chrome gooseneck.

So brighten things for the student prince (or princess) in your family by getting him a Tensor Student Lamp. You'll find it encourages good reading and study habits. Warning: if there are more than one student in your household, better get a Tensor Student Lamp for each. People become very attached to their Tensors, don't surrender them easily.

Tensor Student Lamp: \$995

PIPER PATER—

March 1-5 Set As Courtesy Week

To commemorate Texas School Week, the Hamlin Public Schools were open for all parents and other people to visit during the annual Open House. The high grades, as well as the lower grades, worked diligently on projects, posters, and other classwork in order to give the people visiting the school an insight into the work that has been done through the school year.

The Student Council and the faculty of Hamlin High School were hosts for the occasion. Refreshments were prepared and served in the cafeteria by the Future Homemakers of America.

The week of March 1-5 was designated as Courtesy Week by the Student Council. One of the projects of the Council,

Courtesy Week is an effort to try to promote more friendliness and politeness among fellow students and the faculty.

As March 12 draws nearer, the Seniors are getting more and more nervous about the Senior Play, "Money Mad". Tickets can be bought from any senior student.

The sports of Hamlin High are still in action as the Track Team journeys to Winters Saturday, March 6.

The Future Homemakers of America will have a monthly meeting Friday March 5, in the High School Cafeteria. The program is entitled "Meet the Faculty." Several of the teachers will speak to the girls.

YEARS AGO...

FORTY-FIVE YEARS AGO
R. L. Howard, who has been ill, is able to be up this week. This week Hamlin lost a good family when Engineer C. P. Mann moved to San Angelo, where he has purchased a nice home.

E. F. Sevier of Plainview was here Monday closing out a sale of his farm east of town. He sold the place to Mrs. Perryman, who lives near McCaulley.

THIRTY-FIVE YEARS
Mr. and Mrs. J. C. Culbertson of Waxahachie and Mr. and Mrs. Marvin Culbertson were here Tuesday to attend the funeral of M. T. Via. Both the families formerly lived in Hamlin, and J. C. Culbertson still has land interests here.

Mrs. L. D. Watt of Lincoln, Neb., visited several days with Mrs. Lem Miller and family.

Thursday evening Mrs. Burns Eakin entertained with a surprise birthday dinner for her husband. Attending the affair were Messrs. and Mmes. J. J. Waggoner, Martin McCain, F. B. Moore, Paul Bryan, Fred Britton, D. C. Gibson, Jess Petty, Bill Rountree, John C. Turner, J. W. Ezell and Billie Bryant.

TWENTY-FIVE YEARS AGO

Good rains followed by snow in the Hamlin territory during the past several days will be a boon to the small grain in the area as well as pastures and farm land generally.

Mr. and Mrs. R. L. Goodgame visited their daughter, Mrs. Pete Plemmons, and family at Odessa.

Mrs. Edward Gardner is in the Abilene hospital taking treatments this week.

FIFTEEN YEARS AGO

Hamlin club boys last weekend took \$610, or about half, the prize money posted for winners in the annual Jones County Club Boy's Livestock Show, held at Stamford.

Golf course of the Hamlin Golf Club will be revamped and improved under plans announced this week by the club officials.

Hamlin community has raised 75 per cent of its Red Cross quota, according to W. C. Russell, fund chairman.

No opposition to the announced slate of candidates for city office had been filed at mid-week. The election is scheduled Tuesday.

TEN YEARS AGO

Hamlin club boys won about half the prize money at the Jones County Club Boys' Livestock Show at Anson last weekend.

More than half the \$20,000 needed for construction of the new swimming pool at the Hamlin City Park has been raised, according to Jack Russell, campaign chairman.

A city-wide prayer crusade will be conducted next week in most of the churches of Hamlin under the sponsorship of the Hamlin Ministerial Alliance.

FIVE YEARS AGO

Crowds expected at open house for Schools despite bitter cold weather.

Members of the O-Ki-Hi group, Camp Fire Girls, participated in the national tree planting project. The group includes Jane Ferguson, Sheril-yne Witt, Helen Hastings, Johnnie Harbert, Jan Albritton, Sandra Browning, Kay Hod-

'Oklahoma' To Be Presented In Abilene Soon

Two public performances of Rodgers and Hammerstein's fabulous musical, "Oklahoma," will be presented by the Abilene Philharmonic Saturday, March 13, at Abilene High School auditorium. Philharmonic members will preview the show Friday night at the regular subscription concert.

Curtain will go up Saturday at 2 p. m. for the matinee and at 8:15 p. m. for the evening performance. Tickets prices are as follow: \$1.00 for students and \$2.00 for adults, with no reserved seats, for the matinee; \$3.00, \$2.25 and \$1.50, with seats reserved by sections, for evening.

A top-notch cast has been assembled, with artists from Abilene, Dyess AFB, the local colleges and area towns. All the famous songs will be featured, including "Oh, What a Beautiful Morning," "The Surrey With the Fringe on Top" and "People Will Say We're in Love."

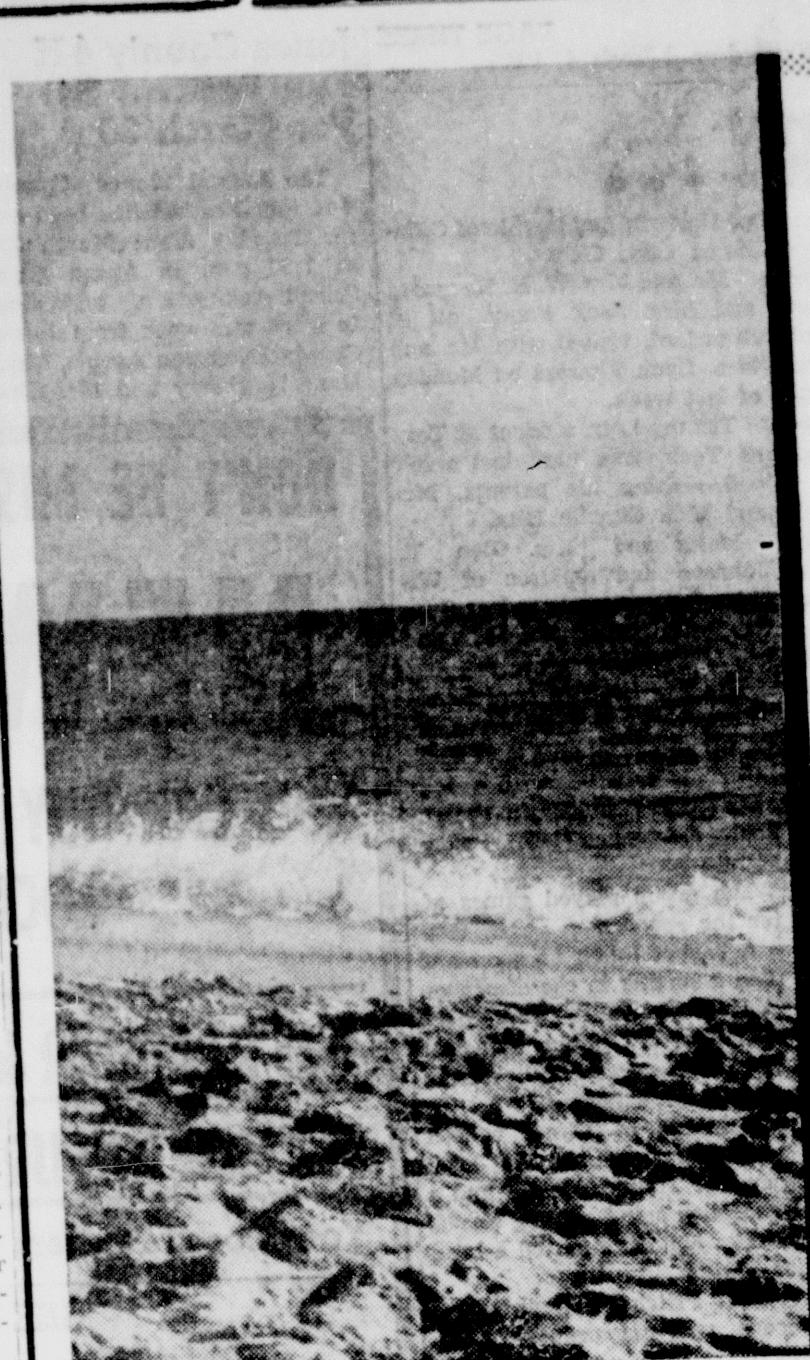

The entire production is being designed and directed by Lewis Fulk, associate professor of speech at Abilene Christian College. Music director is Leo Sheer, Music Director-Conductor of the Abilene Philharmonic Association.

nett, Glenda Husepeth, Cynthia Stephens, Linda Legan and Julie Robb.

Another session was held to consider organization of Jaycees.

First issue of Celo-News monthly newsletter of the Hamlin plant of Celotex Corporation mailed Tuesday.

Louise Proctor, operator at Southwestern Bell Telephone Co., fell on the icy sidewalk and sustained a broken knee.

DEEP AS THE SEA

Standing in the sand, looking at the sea, one cannot help thinking of the boundless, fathomless love of God toward us. Oh, how he loves us, uplifts us, protects us and encourages us. There comes to mind many of his precious promises and the heart swells with gratitude. Recalled first of all, perhaps, are verses like these:

"Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee: yea, I will help thee."

"Yea, I have loved thee with an everlasting love: therefore with loving kindness have I drawn thee." Jeremiah 31:3.

"For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

"For God sent not his Son into the world to condemn the world; but that the world through him might be saved."

John 3:16, 17.

Many more words of comfort await you in the Bible and in the Church as His words are proclaimed from the pulpit. We invite you to attend church this week. You will be glad you did.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

'65 CHEVROLET
These great performers are the lowest priced models at our One-Stop Shopping Center

Top to bottom: Chevy II 100, Corvair 500, Chevelle 300, Chevrolet Biscayne. All 2-door models.

Each of these beauties is the lowest priced in its line. But the ride doesn't show it. Or the interior. Or the performance.

That luxurious Biscayne is as roomy as many expensive cars, has color-keyed interiors, plush vinyls, fine fabrics, full deep-twist carpeting.

Chevelle, America's favorite intermediate-size car, has clean new styling, wide doors, roomy, tasteful interiors and Chevrolet easy-care features.

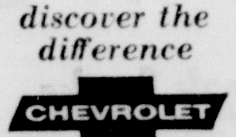

Chevy II got a lot smarter for '65—but stayed sensible! Still family-size, easy to handle, economical, and the lowest priced Chevrolet you can buy.

Or get a sporty rear-engine hardtop in a Corvair Sport Coupe or Sport Sedan for fun in the months ahead.

Chevrolet, Chevelle and Chevy II are available with the Turbo-Thrift Six for fuel economy, quick warmups, quiet idling. It's light, efficient, smooth and spirited.

Corvair's air-cooled rear-mounted Turbo-Air Six delivers the best balance and traction for this size car.

So be practical. Only you will know. Because it sure won't show!

PIGGLY WIGGLY

A VICTORIAN WOMEN'S BURDEN OF CLOTHING — roughly amounted to nearly 40 pounds of corseting, petticoats and outer clothing. Today's svelte ladies shape up smartly in foundations that weigh as little as an ounce and can be completely dressed including shoes and bag for a total of two pounds — thanks to the many miracle fibers of the times.

Featherweight Fabrics Weigh In...for Sheer, Light Comfort

Not since Eve in the Garden of Eden have women been so lightly clad as is the fair sex for spring 1965.

Not only is the American woman the lightest dressed, but also the coolest and shapeliest in outerwear and under-cover garments created in the wispiest, sheepest and most comfortable fabrics ever.

The experts at Gossard, famous makers of foundation garments, says that spring is the harbinger of some of the

breeziest shape-makers in the history of women's apparel.

Even the women in Cleopatra's era wore more clothing than does the discreetly-dressed woman of today. Despite the warm climate of the Nile valley, Egyptian ladies wore over ten pounds of clothing. Though tunics were light and filmy, they disguised metal girdles and the jeweled ornaments they wore were quite heavy too.

In the days of Shakespeare, iron corsets were in fashion. To those ten pounds of torture, Elizabethan ladies added farthingales and heavily-ornamented gowns and cloaks for a total of about 55 pounds.

In the lush, plush Victorian days, the woman wore a mere 37 or so pounds of fashionable attire. Although her girdles were made of linen or cotton, reinforced with whalebone, it weighed about a pound. However, petticoats and dresses added up the poundage.

Following World War I, woman's cultural and social status changed — as did her wardrobe.

Even when the flappers cast off her corsets but donned bos-

om flattening brassieres, her short-skirted dresses, "teddies" and other accoutrements were still in the light-heavyweight division.

But now, long-legged panty girdles weigh in at as little as an ounce. Cotton are as light and airy as tissue and even bosom-shaping contour bras use a new kind of fiberfill — so light that it floats on air — nor do they mat or shift.

Spandex fibers have reduced the weight of fashion's finest creations — from the inside out.

Miraculously, a costume of dress, shoes, bag and all needed accessories, could weigh as little as two pounds.

The modern woman has the unique advantage of being able to dress as glamorously as she desires in complete comfort at all times in new, gossamer-weight wardrobe ensembles.

Made of Dacron polyester and Avril rayon, the new fabric can be washed in an automatic washer. The Maytag Home Laundry center suggests you use the gentle agitation and spin speeds on your washer, warm water and a regular laundry detergent.

The new fabric should be dried at the wash-and-wear setting on the dryer to remove any "wear" wrinkles that may have occurred. Be careful to remove the garments as soon as the dryer has stopped tumbling and hang them on a hanger, thus preventing further wrinkles by laying in a heap in the bottom of the dryer. Little if any, ironing is required.

Americans smoke more than 420 billion cigarettes each year.

Neinda Philosopher Says He's Puzzled By the Drive to Get Everyone to Travel More

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 apparently is not very travel-minded, his letter this week indicates.

Dear editor:

According to a news item I read last night, Washington officials are suggesting we put a sort of tariff on tourists leaving this country every summer in the amount of \$100 a head. As I understand it, American tourists are spending over a billion dollars a year visiting abroad, and apparently on the theory that they're going to spend everything they have on them. Washington has suggested we tax them \$100 just before they leave, which would be \$100 they sure wouldn't spend over there. At least we'd keep some of the money in this country.

I don't have an opinion on this proposal, as that's one tax that sure wouldn't hit me, as I ain't going.

Understand, I don't quarrel

with anybody who wants to visit abroad, let him go if he wants to, but my theory is that it's time the Europeans came over here and looked at us. After all, when you come to think of it, the land holding up Buckingham Palace in London is not one year older than the land in this Johnson grass farm. I estimate they were constructed at about the same time. One is just as ancient as the other, and both are equally favorable toward government support.

And while I can't imagine any Englishman spending his money to come over here and look at me and this farm, neither can I imagine me going over there to look at him and his. Of course I know travel is supposed to broaden a person, enlarge his horizon, but I have seen some Americans who have traveled abroad and I can't always tell that the job was accomplished.

Another purpose of the proposed \$100 head-tax on tourists going abroad I understand is to

encourage more Americans to travel in this country, but I don't know about this. Nearly every state is now promoting itself as a tourist attraction, and if it works, won't the thing balance itself out? If Texas lures 100 million dollars worth of tourist money from Oklahoma, won't Oklahoma lure the same amount from Texas? Who's going to come out ahead on this deal, outside of filling stations? Wouldn't it be like everybody in town trying to make money by taking in each other's washing?

Yours faithfully,
J. A.

Femininity Enhances Beautiful, Duti-ful Coat, Suit Fashions

Gone are the days when a career woman's fashions strive to emulate the male. This Spring's designs are feminine and appealing in spite of the fact that they are geared to active lives.

Spring silhouettes are soft and fluid. There is no rigid tailoring and obvious seaming. Textures are smoother and flatter — fabrics are refined and understated.

Tender, delicate tones form the backdrop in the Spring gardens of fashion, with tearoses, gentle greens, marigolds, sweet peas, delphiniums and the varied shades of pebbles and earth. As in every verdant setting there is a peeping of vibrant colors too with bold pungent orange, red and vivid turquoise entering the scene and trailing along is the ever fashionable black and white.

Emphasis has been placed on the complete ensemble in the new career woman look, with the mating game being played in a hundred different ways. Trims of suits are coordinated with coats and blouses are keyed to linings. Ensemble color combinations are refreshing with pale-toned coats of chalk, blue or pink over suits of new rich, deep navy or cool black.

Suits jackets are longer officially but for those who look

best in shorter jackets and know it — there are many hip-level styles.

Shirts are supple, with soft gathers and many feature pockets or belts. Pleats appear — but without fanfare. They do not flutter all over the place as heretofore, but are a subtle part of the flattering Spring '65 image.

Patterns once considered "clashing" are now called "dashing" according to the National Board of the Coat and Suit Industry. They state that it is currently fashionable to combine a checked or even polka dot blouse with a pin-striped suit.

Baptist Hold Music Festival in Stamford Church Feb. 19-20

The Jones Associational Music Festival was held at the First Baptist Church in Stamford, Feb. 19 and 20. Churches from the Baptist Double Mountain Area were invited to participate. This Area includes Fisher, Haskell, Knox, Jones, and Stonewall-Kent Associations.

There were two hundred and eighty-three participants. Of this number, forty-seven were hymn players, who played in three divisions. Choirs were heard from churches at Haskell, Jayton, Anson, Hamlin, and Stamford.

On Friday night there were four Adult and Youth Choirs and six vocal entries, with fifteen hymn players. On Saturday there were seven Junior and Primary Choirs presented for adjudication, along with thirty-two hymn players.

The purpose of this Festival is to improve and promote church music.

Extension Specialist Urges Study Of Grocery Ads Before Shopping

COLLEGE STATION. — Supermarkets are featuring a number of good buys at present so study grocery ads and make shopping lists accordingly, recommends Mrs. Gwen Clyatt, Extension consumer marketing specialist.

At retail meat counters, look for best beef values on ground beef, short ribs, arm and blade roasts, sirloin, T-bone, round steaks and beef liver. Look for more emphasis on marketing the rib and loin cuts during the next several weeks. Consider stew meat for variety in menu planning and to help stretch the budget as well.

Pork values include pork loins, picnics, hams, shoulder roasts and steaks. Pork supplies are below those of a year ago, however some markets are featuring specials on roll sausage, Boston butt roasts and chops.

Frying chicken continues to represent a good value, and the fryers are weighing about 2 1/2 to 3 pounds, giving more meat in proportion to the bone.

The Grade A large eggs offer food shoppers the most economy and quality for their money.

Plentiful supplies of dairy products are also available, and there's no price change here. Cheese is one of the valuable protein foods and is versatile.

Bananas highlight most fruit counters, so use them generously while they are available at attractive prices. Several varieties of apples are plentiful. Just appearing on the markets in limited supply are pineapples, rhubarb, strawberries and honeydew melons. Red tart cherries and pears highlight the canned goods department.

Best vegetable buys include head lettuce, celery, cabbage, carrots, cauliflower, broccoli, green peppers, radishes and green onions. Potatoes are available at relatively higher prices since supplies are down considerably.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN - Gov. John Connally served notice on the U. S. Labor Department he does like its directives that unskilled high school students in War on Poverty program jobs must be paid more than some of their parents make.

Connally, needed by an unnamed Labor Department official, indignantly denied he is scuttling the new Neighborhood Youth Corps job project. But he made clear he won't approve applications of some 23 local school districts for participation in the program until he is sure they know what they are getting into.

NYC offers part-time jobs (10-15 hours a week) around schools and public agencies to youngsters 16-21 who are on the verge of becoming high school dropouts because of financial difficulties. Federal government pays 90 per cent of the cost and local participating units 10 per cent. But next year the cost will be shared 50-50.

Connally spoke out against the Labor Department ruling that students must be paid \$1.25 per hour, the federal minimum wage.

The 23 districts, before ruling was announced, proposed to pay rates ranging from 60 cents to \$1.20 an hour. Originally, Labor Department had notified the districts wages "should be a little below the prevailing en-

try rates for inexperienced workers in similar occupations. The \$1.25 order came out after applications were filed.

"This action," protested Connally, "would place local school districts in the awkward and unrealistic position of paying inexperienced school age students of underprivileged families a rate of pay for casual chores that in many cases would exceed that of adult employees working in the same facility, the average earnings of their own parents, and the wages he himself might reasonably expect to earn in the days immediately following school."

Furthermore, Connally noted, a directly parallel program for potential dropouts among college students, administered by Department of Health, Education and Welfare, pays 75 cents an hour upward.

House of Representatives applauded Connally's stand but specified it did not intend to criticize the President or his War on Poverty program.

COORDINATING BOARD APPROVED - Governor Connally's number one project of the session - creation of a powerful 18-member coordinating board to supervise all aspects of higher education in Texas - swept through both houses of the Legislature with the speed of a blue northern.

Legislators who opposed it

RECEIVES FIRST EASTER SEALS—Governor John Connally received the first seal of 1965 Easter Seals to be distributed in Texas on the eve of the Annual Easter Seal Campaign, opening March 1 and continuing through Easter Sunday. The 1965 National Easter Seal Chairman, Lucille Ball, of "I Love Lucy" fame, and Chuck Winikates of Dallas made the presentation at the Governor's Mansion. Winikates is the Texas Easter Seal Child for the 1965 Campaign.

and there were only a few - had as much chance of stopping it as they would of forestalling a gathering storm.

After being guided through the House by Rep. Dick Cory of Victoria, the bill was picked up by Sen. Bill Moore of Bryan in the Senate, where it went through without an amendment and was passed on to the governor for signing.

Connally has until September 1 to choose the 18 members of the board. They will replace the Texas Commission on Higher Education and will take on the task of directing all higher education institutions from junior colleges through the university systems.

Board will decide what courses are to be offered by each institution. It was given the most far-reaching authority granted by the Legislature since the Railroad Commission was authorized to grant railroad permits. Present college boards of regents will continue to serve. But they will be responsible to the new overall coordinating board.

Another of the governor's education plans, to replace 12 separate boards of regents which govern the 22 state colleges and universities with three boards of university systems, had not yet been introduced when the coordinating board plan was adopted.

Some legislators feel that the system board plan may have served to lessen the opposition to the coordinating board particularly among representatives from the colleges whose board would be abolished.

PESTICIDE PROTESTED - A cheap poison used against roaches and rats in many homes and in grain storage bins and warehouses can cause loss of hair and mental disturbances, physicians testified in a House committee hearing. Lions Taking Applicants for Kerrville Camp

Applications for a summer vacation full of fun for handicapped children in the Hamlin area are now being accepted by members of the Hamlin Lions Club.

This unique Texas Lions Camp for Crippled Children at Kerrville will open its first two-weeks session Sunday, June 6, 1965. Five sessions will be held this summer for youngsters from seven through sixteen years of age.

The Camp is free to eligible blind, deaf, mute or crippled children. Transportation to and from Camp is supplied by the Local Lions. All requests for summer camp are handled locally by Lions.

For more detailed information about the Camp, you are urged to contact Bill Davis of the Hamlin Lions Club at SP 4-1676 or SP 4-1317.

In the past years, Lions have sent over 7,000 youngsters to Camp.

Midland, Tarrant and Webb counties.

Only teacher pay raises attract more mail to lawmakers than parimutuel wagering and liquor-by-the-drink legislation. This year, there's strong support on, as well as opposition to, both propositions.

"SPENDING" RULE ROW FLARES - Tightening of a joint House-Senate rule banning consideration of single-purpose spending measures ahead of the general appropriations bill may mean the difference in the type of pay raise teachers get this year.

Senators adopted 22-9 a "compromise" version making the provisions of a stricter House-passed Joint Rule 9-A effective only during the first 120 days of the session. The House is expected to agree.

Opponents say the rule still will prevent even a committee hearing of teacher pay bills until last 20 days of the session - or until the budget is adopted and certified by the controller.

Teachers fear the delay will be used to gain support for Connally's long-range, graduated pay bill, which they claim gives them far less than their own \$2.5-a-month across-the-board raise proposal.

CITIES ASK SALES TAX - Spoken for by cities urged a legislative committee to recommend that cities be given authority to levy local taxes up to one per cent if citizens vote approval in special elections.

They said they have gone about as far as they can with raising property taxes and need additional sources of revenue to provide necessary services.

Union representatives argued there still is plenty of mileage left in property tax. Also a local sales tax would hit little people harder and lighten the load on those most able to pay.

Both bills went to sub-committee.

LERAY LABAUME

Hamlin Graduate Receives Top Dept. Commerce Award

Laray LaBaume of Boulder, Colo., son of Mrs. C. E. LaBaume of Hamlin, was honored recently with other colleagues when they received the Department of Commerce Gold Medal, a group award presented to the Topside Sounder Group.

The award was presented for exceptional service, the highest employee awards the department can bestow.

LaBaume and nine colleagues were cited for their success in using rockets and satellites to explore the upper side of the ionosphere. The work resulted in important contributions to research concerning upper atmosphere and plasma physics. LaBaume worked with others under the leadership of Dr. Wynne Calvert, project leader for the Topside Sounder satellite program.

LaBaume joined the National Bureau of Standards as an electronic development technician with Rocket and Satellite Experiments Section of the Aeronomy Division, General Radio Propagation Laboratory, Nov. 25, 1962.

He is engaged in all phases of electronics including engineering, construction, maintenance, development, processing, and operation of all types of electronic equipment. He also deals with various communications systems including long range, very high frequency, and ultra high frequency. He is presently supervisor of the Telemetry Station located near Boulder, where he is engaged in tracking satellites, interpreting data, and reducing data in correlation with the Topside Sounder Program and others.

A graduate of Hamlin High School in 1936, he served in Civil Service during World War II. In 1943 he was married to the former Fanny Chu in Hawaii. They have two children, a son, Lane, 19, a student in Boulder University, and a daughter, Lehus, 10.

For WTU residential customers

...is the new approach to a time-tried method of bill paying. Each month you pay one-twelfth of your annual electric service charge. West Texas Utilities Co. makes an estimate of your total electric use for one year, based on your past record, or, with new accounts, records of similar requirements. They divide the total into 12 equal, even-dollar payments. Monthly and yearly reviews of your account keeps the estimate as close to the actual metered usage as possible. If this review shows a material change in your use of electric service...up or down, due to unusual weather or the addition of some major appliance...you will be notified that a change of estimate is in order.
